MASSAGE MENU

Goal-Oriented Massage

Massage treatment is specifically directed to resolve conditions that have been diagnosed previously. We may use a variety of modalities or procedures during the treatment, but will focus the massage treatment only on the areas of the body related to the diagnosis.

A Goal-Oriented Massage is useful in addressing conditions such as: Sciatica, Piriformis Syndrome, Rotator Cuff Injuries, Migraines/Headaches, Range of Motion Issues, Fibromyalgia, Back and Neck Pain, and Sports Injuries.

Cupping

\$20 member rate / \$25 non-member rate
(add to any massage duration)

Application of suction cups to the skin and underlying soft tissue. Benefits include: reducing painful trigger points, promoting mobility and range of motion, decreasing toxins, and relieving pain. Mild soreness and bruising can be expected.

Face, Scalp, Neck & Shoulders

A truly blissful experience combining massage and gentle acupressure. Release all of your mental and physical stress with this extremely calming, balancing, and deeply relaxing massage treatment.

Mommy To Be (60 min duration)

\$80 member rate / \$85 non-member rate

A definite must for all moms to be. Assisting you during one of life's most exciting yet physically demanding processes. Feel a deep sense of nurturing while we address back strain, tired legs, and swelling ankles.

*Must be past first trimester

Salt Glow

\$90 member rate / \$95 non-member rate
(60 min duration)

Sea salt, rich in trace minerals, is mixed with warm massage oil to exfoliate the top layers of dead skin from the whole body (except for the face). It leaves your skin moist, glowing, and satin smooth. Choose any essential oil fragrance.

Hot Stone

\$20 member rate / \$25 non-member rate
(add to any massage duration)

Application of water heated stones to key points of the body warming and relaxing the muscles. The warmth of heated stones improves the circulation and calms the nervous system.
